**PROJECT SPECIFIC SPECIAL AWARD CONDITIONS  
PRIMARY CARE HEALTH FACILITY  
FINANCIAL ASSISTANCE SUB-AWARD  
CITY OF ATKA, ALASKA**

**PROJECT NO. AN 02-G52**

DATE OF DOCUMENT:  
September 2002

**A. SCOPE OF PROJECT**

This project will perform the design studies and construction planning for a new health clinic in Atka, Alaska. No construction will be performed under this project.

**B. PROJECT FUNDING**

Denali Commission funding for this health facility improvement project has been made available to the ANTHC through a separate Financial Assistance Award (FAA), or amendment to an existing FAA, between the Denali Commission and the ANTHC.

It is understood that funding transfers will be made to ANTHC incrementally. Project activities should not proceed until funding for each increment of work is available to ANTHC.

**C. PROJECT MANAGEMENT METHODOLOGY**

In conformance with the Memorandum of Understanding between the Denali Commission and the ANTHC for Alaska Rural Primary Care Facilities, and as directed by the Financial Assistance Award of April 2002, the following Project Management Methodology option has been selected by the City of Atka:

The Village shall assume responsibility for the design of the project with oversight and intermittent technical assistance by ANTHC. The local participant shall retain the services of a professional project manager, engineer, and/or contractor for the services defined in the Sub-Award. Project design shall be completed through a competitively selected architect and engineering (A/E) contractor for sight adaptation of the Denali Commission Prototype design for the City of Atka.

**D. PROVISIONS FOR PROJECT COMPLETION**

The following sections from the ANTHC, DEHE, Primary Care Facility Sub-Award Provisions Manual (Orange Book), dated April 2002, are incorporated into this Agreement by reference. For the purposes of this Agreement, all references to "Local Participant" shall mean the City of Atka:

- Provisions for All Sub-Awards
- Section 3.18, "Local Participant Procurement Provisions"

## MEMORANDUM

DATE: September 2002

FROM: Environmental Review Officer

SUBJECT: City of Atka - Environmental Review  
Project No. AN 02-G52

TO: FOR THE RECORD

Based upon proposed Federal funding for this project, an environmental review in accordance with the National Environmental Policy Act (NEPA) and the National Historic Preservation Act (NHPA) is required. The Alaska Native Tribal Health Consortium (ANTHC) has considered all potential environmental concerns (specific and cumulative effects) associated with the project in consultation with applicable federal, state, and local authorities.

### FINDINGS

This environmental review finds that no further environmental investigation is necessary. It is recommended that the Denali Commission approve a determination of eligibility for categorical exclusion from the Environmental Assessment process for this project. Current Indian Health Service (IHS) policy (Federal Register, Vol. 58, No. 3, January 6, 1993, pp. 569-572) allows for IHS categorical exclusions for certain projects. In particular, Section H, No. 4 allows for a categorical exclusion for projects to conduct "engineering studies and investigations including soil borings and test well drilling to gather data for the purpose of determining engineering feasibility and permit facility design." This project will complete such an investigation.

With the scope of work outlined IN THE financial Assistant Sub-Award Agreement, the ANTHC has completed the environmental review. If the scope of work is changed in the future, the community and the ANTHC will revisit this environmental review to determine if potential environmental concerns have been addressed.
